

# MODULAR 70

**RECORD**  
PACKAGING SYSTEMS

The uses an electronically controlled sealing system and the most advanced safety devices. The use of the lines in automatic or semi-automatic mode and the customization of the operating programs simplify the packaging phases and maximize the production yield. **MODULAR 50S** and **MODULAR 70** can be used with the **TUNNEL** line.

## TECHNICAL FEATURES

- Teflon-coated sealing blade.
- Double sealing bar with shock absorber.
- Continuous cycle cooling system.
- Manual or automatic mode.
- Adjustable work surface.
- Motorised belt with speed control. Extra-large scrap recoiler.
- Built-in reel support.
- Digital panel with 6 programs.
- Piece counter.
- Packaging plate lock.
- Delayed bar opening to cool sealed areas.
- Machine with wheels.
- Emergency switch.

## TECHNICAL

- Electrical power supply V 200/208/230/380 3Ph
- Maximum power installed kW 2.3
- Hourly output pcs/h 0 - 900
- Available dimensions of the sealing bars mm 840 x 600
- MAX reel dimensions mm Ø300 x 800
- Work Surface Height mm 930
- Machine dimensions with the sealing frame open mm 2070 x 960 x h.1510
- Machine dimensions with the sealing frame closed mm 2070 x 960 x h.1220
- Weight (Net/Gross) kg 243/290

## PERFORMANCE

**High performance steel resistance:** shrinking time reduced by 50% and heating time by reduced 60%.

**Sealing bar cooling:** means increased productivity and improved sealing.

ONLY FOR FM75 evo AND FM76 evo Models

Scrap winder: productivity increased by 20%.

COMES AS STANDARD ONLY FOR FM75 evo AND FM76 evo MODELS

## GREEN SPIRIT

### Comfort Zone Fan Stop:

an eco-solution providing 20% energy savings and greater operator comfort during packaging by stopping the fan when the chamber is opened.

## RELIABILITY AND QUALITY

### Soft shrink fan speed adjust:

perfect heat shrinking even for the lightest or most flexible products. Sealed areas do not open. Very low decibel noise levels. Exclusive patent.

## EASY MANAGEMENT

Latest generation control panel: Top quality components. 4-digit screen.
